Welcome to Sunshine Coast holiday parks

The Sunshine Coast Holiday Parks are owned by Sunshine Coast Council and managed by independent contract managers. To ensure that your stay and that of others is safe and enjoyable, please read and observe the following conditions of occupancy.

- 1. Van/motorhome parking:** Please ensure that your drawbar faces outwards to the road to allow prompt evacuation in the event of an emergency. Motorhomes to be reversed onto sites.
- 2. Vehicles and speed limit:** The roads in the holiday park are all shared with pedestrians and motorists. The maximum speed is 8 KPH (walking pace). Please be aware of pedestrians when driving in the park. Only one vehicle per site is permitted and must remain within the allocated site. Please contact Management if you wish to repair your vehicle/van on site.
- 3. Sites:** Fires or naked flames are not permitted in the park – electric or gas BBQs are permitted only. No flammable or dangerous goods are to be stored on sites. Do not peg down tarpaulins or plastic over grassed common areas. Sites are to be left neat and tidy.
- 4. Safety:** The occupant or any other person an occupant invites into the park must ensure the site is safe and without risks to health in accordance with the Work Health and Safety Act 2011, and to a standard acceptable to Park Management.
- 5. Security advice:** While Park Managers do their best to ensure a safe and secure environment, we do recommend that visitors to the park take the precaution of securing items of value left outside their tent, caravan or cabin during the day and overnight. Your property is your responsibility. No refunds or reimbursements will be provided for loss or damage.
- 6. Dogs:** Dogs are welcome at Mudjimba and Coolumb on application. No dogs at other parks.
- 7. Evacuation:** In case of fire or other emergency, please make your way to the evacuation assembly point as shown on the map overleaf. Evacuation procedures are also displayed at reception, amenities buildings and cabins.
- 8. Children:** The park and its facilities are provided for the enjoyment of you and your children. Guests are responsible for their own children at **all** times. Children under 12 must be accompanied by an adult when visiting the amenities, playground and pool areas. Management takes no responsibility for unsupervised children within the park.
- 9. Noise:** The peaceful enjoyment of our park and its facilities by all visitors is important to us. All loud noise must cease between 10pm and 7am. No generators are allowed.
- 10. Garbage:** Please wrap garbage before placing in bins provided. Recycling bins are to be used for designated recyclables only. Large items such as gazebos, fridges, couches and gas bottles are not permitted in garbage bins or to be left at bin enclosures.
- 11. - 14. Visitors:** Visitors are welcome while you are present, and their behaviour is your responsibility. Visitors must check in at office before entering the park and are to be subject to surcharge if staying overnight. Visitor's cars are not permitted in the park.

15. Fauna and flora: Be advised that wildlife live naturally within our Holiday Parks. We ask that guests refrain from feeding wildlife and ensure that food waste scraps are taken to receptacles provided, or if kept within your camping site or cabin, that they are kept in a sealed container. Feeding wildlife encourages unnaturally high populations within our Holiday Parks, which can cause a nuisance to guests and visitors.

Management reserves the right to restrict any bike, scooter or skateboard use within our parks that is deemed unsafe or impeding the quiet enjoyment of other guests within the park. Speed limits of 8 KPH apply, helmets are to be worn and no riding of skateboards, bikes or scooters after dark.
